Wastewater Operator Certification

The Muncie Sanitary District recognizes the Indiana Department of Environmental Management's Wastewater Operator Certification. Employees of the Muncie Sanitary District whose job duties include knowledge of wastewater treatment in various forms are eligible for Wastewater Operator Certification. Eligibility for Operator's Certification is determined by the State via an application process which considers the relevance of the applicant's job responsibilities to wastewater treatment plant operation. These departments typically include the WPCF, BWQ and Sewer Maintenance. Employees must sit for the exam given by the Indiana Department of Environmental Management and pass with at least a 70% or higher. Each level of certification supersedes the previous level and pay will only be for the highest level achieved. All certifications must be kept up to date and the new licenses or certifications must be kept on file in the personnel records. It will be up to the certified operator to obtain enough contact hours to fulfill the necessary amount needed to renew their license. Each certification level will receive a pay rate of \$0.25 increase.

- Wastewater Operator Class I License
- Wastewater Operator Class II License
- Wastewater Operator Class III License

**Wastewater Operator Class IV License
Mechanic "A" Certification**

The Muncie Sanitary District recognizes the National Institute for Automotive Service Excellence (ASE) levels of certification. Technicians are tested and certified in both automobile and heavy-duty truck repair. All certifications must be kept up to date and the new licenses or certifications must be kept on file in the personnel records. It will be up to the certified mechanic to take the appropriate tests to renew their certifications. Each certification category and level will receive a pay rate of \$0.12.
