Waste Operator Certification

The Muncie Sanitary District recognizes the Indiana Department of Environmental Management's Wastewater Operator Certification. Employees of the Muncie Sanitary District whose job duties include knowledge of wastewater treatment in various forms are eligible for Wastewater Operator Certification. Eligibility for Operator's Certification is determined by the State via an application process which considers the relevance of the applicant's job responsibilities to wastewater treatment plant operation. These departments typically included the WPCF and BWQ. Employees must sit for the exam given by the Indiana Department of Environmental Management and pass with at least a 70% or higher. Each level of certification supersedes the previous level and pay will only be for the highest level achieved. All certifications must be kept up to date and the new license or certifications must be kept on file in the personnel records. It will be up to the certified operator to obtain enough contact hours to fulfill the necessary amount needed to renew their license. Each certification level will receive a pay rate of the following:

Wastewater Operator Class I License	\$0.25 Hourly
Wastewater Operator Class II License	\$0.50 Hourly
Wastewater Operator Class III License	\$0.75 Hourly
Wastewater Operator Class IV License	\$1.00 Hourly

Mechanic "A" Certification

The Muncie Sanitary District recognizes the National Institute for Automotive Service Excellence (ASE) levels of certification. Technicians are tested and certified in both automobile and heavy-duty truck repair. All certifications must be kept up to date and the new licenses or certifications must be kept on file in the personnel records. It will be up to the certified mechanic to take the appropriate tests to renew their certifications. Each certification category and level will receive a pay rate of \$0.12.
