Public Notice of Construction Activity

Discharge Point - 900 Wheeling Avenue, Muncie, IN

HWC Engineering (135 N. Pennsylvania Street, Suite 2800, Indianapolis, IN 46204), on behalf of Muncie Sanitary District, is submitting a Notice of Intent (NOI) letter to notify the Indiana Department of Environmental Management of their intent to comply with the requirements under the Construction Stormwater General Permit (327 IAC 15-5) to discharge storm water from construction activities for the following project:

CS0-07 Sewer Separation (combined sewer separation)

Discharge Location

900 Wheeling Avenue

Muncie, IN

(Lat: 40° 12' 05" N Long: 85° 23' 32 W")

Runoff from the project site will eventually be discharged to storm sewers then the West Fork of the White River. Questions or comments regarding the Sediment and Erosion Control Plan should be directed to the attention of Brian Neilson, PE, LEED AP with HWC Engineering at the above-mentioned address.
